HERSHEY, PA 2009

The BHS Music Department took its annual spring musical competition trip. This year's destination was a music festival in Hershey, PA -home of the Amish and Hershey milk chocolate.

The students learned about history and different cultures along the way, spending their first two days touring Civil War sites through a ghost tour and Amish communities with a tour guide.

On the third day, all music groups competed in the North American Music Festival at Hershey Park. Each group excelled, with all choruses receiving superior ratings, the concert band receiving Overall Best Band, and Evan Tawa being named. Outstanding Soloist on soprano sax.

The last day of the trip everyone celebrated with lots of candy and rollercoaster rides at Hershey Park.

France 2009

Fifteen BHS students returned from the two-week-long French trip on May 2, each one with a new appreciation for and understanding of French culture.

The group spent eight days in Albertville, France, in the Alps, known to many as the site of the 1992 Olympics. There, students stayed with exchange partners, most of whom had come to stay with BHS students for two weeks in October.

Together, the fifteen BHS students and their chaperones, Lisa Chernyak and Janice Preston, toured the area, visiting the ancient buildings and churches in Lyon, the castles and cobblestone streets of Annecy, and the scenic Mt. Blanc, highest mountain peak in all of Europe.

While with their hosts, the Beverly students experienced a wide range of activities including skating in an Olympic skating rink, visiting a local amusement park, hiking in the French Alps, and shopping in the charming city of Albertville. Each American Student also attended school with their hosts at Lycee Jean D'Arc, a private high school. The group then flew to Paris. There they visited the Louvre, Versailles Palace, Champs-Elysee Avenue, and most notable French monuments including Sacre-Coeur, Notre Dame and the Eiffel Tower, spending three days in Paris before returning home.

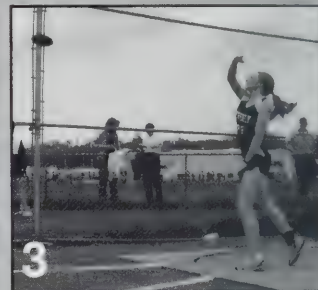

In general, students had an unforgettable experience, and gained many fond memories both of their stay in Albertville and of the days spent in Paris. Most students promise to return to France in the future.

Under the guidance of Coach Megan Sudak in her second season coaching the Panthers, the Beverly Girls Softball Team began the season with a dazzling 7-0 record and finished the year off with a boastful 15-8.

This year the softball team blazed the way in the NEC and made Beverly Softball a team to be reckoned with again after a 4-16 record in 2008. The Panthers more than tripled their wins from last year.

Despite many injuries, the softball team persevered and were the number 14 seed in the Division 1 North State Tournament.

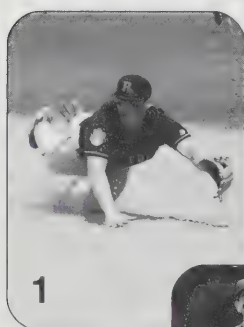

Some of the best memories of the season were beating 3rd seeded Malden in the first round of the state tournament and beating Peabody in 10 innings during a home night game.

NEC MVP and co-captain Kristen Lojko led the way on the mound for the Panthers, while co-captain Courtney Chalifour called the pitches behind the plate. Both were named NEC All-stars, along with Senior first baseman Daryl Powell.

MOST WINS IN A SINGLE SEASON making BHS Baseball history!

The Panther Baseball Team had an exceptional year. With an 18-2 regular-season record, they were crowned co-NEC champs, alongside Peabody.

Six players from the team were named to the NEC North All-Star Team: senior captains Matt Lanza and Peter Kallas, juniors Ethan Trowt and Felix Zamot, and sophomores Andy Brown and Joe Wioncek. Also, three players from the team were named to the *Salem News* All Star Team: senior Peter Kallas, junior Austin Butler, and sophomore Joe Wioncek.

Peter Kallas was also named the NEC North MVP, while Head Coach Dave Wilbur was named NEC Coach of the Year.

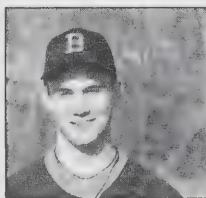

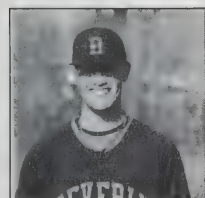

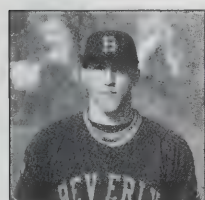

The Panthers showed a lot of power with over 20 homeruns this season and an average of 10 runs per game. Peter Kallas led the team with 6 homeruns, followed by Austin Butler who had 5, and Ethan Trowt who had 4.

Ranked in the top 15 in the state by most polls, the team avenged both of their early losses later in the year, beating Peabody and Lynn English the second time around, 11-3 and 17-3 respectively.

The Beverly Panthers were the number 2 overall seed in the Division 1 State Tournament and earned a home game at Cooney Field. They beat Malden Catholic in a thrilling comeback victory in the first round. The Panthers were down 11-5 at one point and scored 9 unanswered runs to take home the victory, 14-11.

In the quarter finals, the Panthers were beaten by a talented St. John's Prep team and were bounced from the tournament earlier than they would have liked.

The Panthers ended the season with the most wins in a single season in Beverly High baseball history.

Boys Lax '09

The 2009 Beverly High School Boys lacrosse team finished off the season with an 8-9 regular season record, ending the last 8 games with a 602 record. They made the tournament but never made it past the first round falling to Chelmsford 15-9.

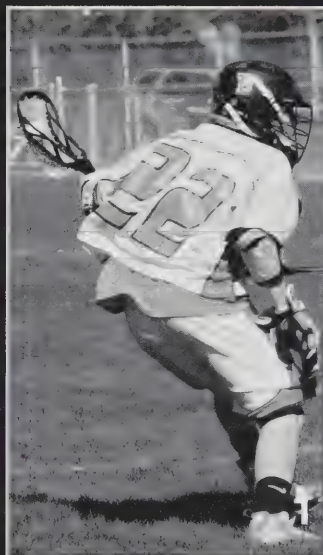

The boys look to have a successful season next year with many of the starters returning. The starting attack will all be back, two of the three defenders and many midfielders. The goal will be NEC champs and a state tourney berth with their eyes set on a State Title.

Girls LACROSSE

Beverly was well represented at the NEC-CAL All Star game with seniors Janie Cooper and Jess Shaw and junior Mary Accomando. Despite falling short of qualifications for the State Tourney, the Girls Lacrosse Team showed a tremendous effort until the end.

Clinching three wins against all-time rival Salem was definitely an accomplishment for the Lady Panthers.

This season proved to be more of a transition year, having several young athletes and two new goalies. There were a total of eight seniors on the team, all who contributed in leading and instructing the team.

Tri-captains Erin Bushey, Courtney Robinson, and Jess Shaw worked well together to ensure that the team remained focused and kept their intensity.

The team played well all around having a strong defensive end greatly complementing the forceful offense.

Coach Alyson Healey gave an exceptional effort in furthering the teams knowledge of the game and incorporating new plays into the offense.

In the final game, Beverly proved their ability by keeping up with highly-skilled Pentucket, ending the season on a strong note.

The Boys Tennis Team ended their season with a record of 4 and 13. Not the best record they've ever had, but they came well equipped with some of the most talented and dedicated players yet. Led by Captains Mark Miranda, Paul Fickenworth and Steve Norton, the team had a great sense of togetherness, and they kept their cool, even with a losing season. With only losing three seniors, the team is well off for next year, and with their young talent, have the possibility of being NEC champs.
